ABOUT RICHARD ELLIOTT

"For over 14 years Richard has played a vital role in turning the Legal Network from a national AIDS organization into one of the world's most respected human rights NGOs and one of the few focusing specifically on HIV/AIDS and the law." News Release
Mr. Elliott is a lawyer who has appeared before all levels of Ontario Courts and the Supreme Court of Canada. He works collaboratively with many human rights organizations including Stephen Lewis Foundation. Mr. Elliott promotes efforts to streamline Canada's Access to Medicines Regime (CAMR).
